The partnership explores strategies for fund managers to shift between stablecoins and riskier digital assets to manage volatility and downside risk, while maximizing yield-bearing opportunities.

The sharp increase reflects HMRC's growing focus on crypto-related tax compliance. Over the past four years, the agency has sent more than 100,000 such letters, with activity accelerating as crypto adoption and asset prices surged.

The primary struggle for a crypto investor is not a lack of information but a relentless deluge of it. News websites, social media feeds and onchain data streams constantly churn with updates that can be overwhelming. XAI's Grok 4 aims to change that. It pulls live data straight from X, pairs it with real-time analysis and filters signals from noise. For a market that is heavily influenced by narrative momentum and community chatter, this is indeed a notable capability.

The company has since closed its Minnesota headquarters, suspended most of its global services, and begun winding down its operations.

Japan's new Prime Minister, Sanae Takaichi, announced a package of economic stimulus measures on Tuesday to ease the impact of inflation on households. The move, some crypto observers said, may drive more capital into Bitcoin.
