OpenAI's foray into live web search has been long rumored, especially given the limitations of typical large-language models, which rely on a large but static corpus of data collected up to a point in time, limiting its knowledge of current events.

Investors piled back into Bitcoin ETFs and their Ethereum counterparts Tuesday, reversing days of outflows, although the fresh investments failed to give the two largest cryptocurrencies by market value a long-lasting bump.

"I don't expect a broad altcoin rally like in previous cycles," he said. "This time, growth will be likely driven by select, high-quality projects rather than the entire
