In a Tuesday blog post, Hougan described the sharp drop as “a blip” and not a big deal. He added that crypto “got a passing grade” in its handling of the sell-off.

What really changes?

On Tuesday, a coalition of fintech and crypto industry trade groups wrote a letter to the US Consumer Financial Protection Bureau (CFPB) urging it to finalize an open banking rule that affirms individuals, not banks, own their financial data.

Looking ahead, Liu expects volatility to remain elevated as markets await clearer policy direction. “A more defined macro path or easing US political tension could restore confidence, reviving risk appetite and turning ETF flows back to positive,” he said.

Without real demand, any breakout attempt might lack the strength required to push ETH above key levels.

In Europe and the US, major fast-food chains like Subway and Burger King continue to accept crypto payments, often through third-party gift card services or payment processors. While not a direct, in-house integration for every location, it's a simple way for consumers to spend their Bitcoin.
