That endeavor drew over 60 supporters. His current effort is being bankrolled by around a dozen, he said. The show is also sponsored by genzcash, which bills itself as the “memetic warfare division” of privacy-focused coin Zcash, he added.

Major chain retailers like Home Depot, Lowe’s and Ikea accept cryptocurrency in the form of Bitrefill and BitPay gift cards, so you can use ETH to finance your home renovation.

Cross-border payment is one of the important application scenarios of blockchain technology. The traditional cross-border payment process is complex, involving multiple intermediaries, with long settlement time and high fees. In contrast,

cross-border payments based on blockchain technology can realize direct peer-to-peer transactions, greatly simplifying the process, shortening settlement time, and reducing costs. Currently, several countries and financial institutions have begun to try using blockchain technology for cross-border payments. With the continuous maturity of technology and the improvement of regulatory frameworks, blockchain cross-border payments are expected to become the mainstream cross-border payment method in the future.

“Crypto is now an alternative currency that has its supply limited, so, all things being equal, if the supply of dollar money rises and/or the demand for it falls, that would likely make crypto an attractive alternative currency,” he said.
