## Comprehensive Guide to binance closing

"Many DeFi platforms performed flawlessly: Uniswap, Hyperliquid, Aave and others reported no losses," he wrote, while noting that Binance and some other exchanges faced issues. "Taken together, crypto did as well or better than traditional markets would have done in the same situation," he said.

"We have hashing technologies, where we have the ability technologically to detect CSAM proactively," the spokesperson said. "That's something that's sort of an industry-wide standard, and we're able to block it from appearing in search."

"At the same time, various traditional managers are expanding their digital-asset footprint, including tokenized securities in BlackRock's case," he added.
