This technological progress has fueled the continued adoption of stablecoins, fiat-pegged digital tokens that can move across the internet without relying on traditional payment rails. The report cited \$9 trillion in stablecoin transactions over the past 12 months — an 87% increase from the previous year.

“Our investment in U.S. Triestina 1918 is about much more than football. It’s about connecting Dogecoin’s global community with one of Europe’s most storied clubs and proving that digital assets can drive real-world value, culture, and passion,” said House of Doge CEO Marco Margiotta in a statement.
