A business cycle downturn is a period of economic contraction where GDP declines, unemployment rises, consumer spending falls, and business activity slows. It is also commonly referred to as a recession and typically follows periods of expansion.

Last month, CleanSpark secured a new \$100 million credit line from Coinbase Prime, extending its financing arrangements with the exchange.

This surge in activity also served as a real-world stress test for the Algorand blockchain. With tens of thousands of participants generating nearly 300,000 transactions, the network maintained its performance. Users experienced the platform's "low fees, instant transaction finality and zero transaction failures" firsthand.
