"SearchGPT is about search and is separate from training OpenAI's generative AI foundation models," OpenAI said. "Sites can be surfaced in search results even if they opt out of generative AI training."

But despite the optimism around BNB, the world's largest crypto exchange by trading volume has faced backlash from users in recent weeks over its performance during the market crash.

"I think that most fiat currencies, especially those with large debts, will have problems being effective storeholds of wealth and will go down in value relative to hard currencies," he said, pointing to parallels between the coming years and two periods in the 20th century.

It argued that Aave's treasury had enough surplus cash to execute the buyback without compromising its operational expenses or reserves.
