Have retail investors “given up” on Bitcoin?

They won't prioritize privacy features that could raise regulatory eyebrows, and they can't move as fast in shipping novel DeFi primitives, as every new feature needs legal sign-off. They'll always have to balance decentralization with shareholder value.

## binance perpetual futures explained

"In the long term, partnerships between licensed prediction platforms and established sportsbooks are more likely than head-to-head competition, especially as the industry converges around transparency, liquidity efficiency, and on-chain data integrity," Ivan Muller, CMO at crypto-based gaming and sports betting platform, Dexsport.io, told Decrypt.

American sports betting platform DraftKings is tapping Polymarket as the clearinghouse for its new prediction market, an industry that clocks over \$4 billion in monthly trading volume.
