What the CEO did confirm, however, is that LimeWire plans for there to be a physical event of some kind and that crypto will definitely play a role in the festival's new chapter.

The stimulus measures include subsidies for electricity and gas charges, as well as regional grants to ease price pressure and encourage small to medium-sized businesses to raise wages.

House of Doge telegraphed its deeper move into sports, telling Decrypt last week that it intends to tokenize multiple elements of mainstream culture, starting with sports.

How trustless is it?

Catching a coin's name trending on X or in a Telegram chat isn't enough to justify putting capital at risk. Social buzz moves fast, and most spikes fade before price action catches up, or worse, they might be the result of coordinated shilling. That's why the next step is to turn raw noise into structured signals you can actually rank and compare.

South Korea's Financial Intelligence Unit has approved Binance's majority stake acquisition of GOPAX, ending a regulatory impasse that had stifled its return to the Korean market for over two years.
