On Monday, NASA's acting chief, Sean Duffy, said that his agency will open the moon lander contract to other competitors beyond Elon Musk's SpaceX, which has experienced delays in its Starship lunar lander timeline.

AT&T; lets you settle phone bills with ETH or BTC, dodging those pesky late fees. Many online and some physical retailers accept XRP via gateways like CoinGate.

Gamified onchain campaigns have become a popular way to kickstart this “flywheel,” guiding users through an ecosystem’s offerings while helping new projects attract a critical mass of participants.

“What that means is that when you remove a result from search under our policies, in addition, what we’ll do is on any query that includes your name—or would be likely to surface that page from search—all explicit results will be filtered,” the spokesperson said. “So not all explicit results will be removed, but all explicit results will be filtered on those searches, which prevents them from appearing on searches where it would be likely to show up.”
