"For too long, money has been stuck in slow, outdated payment systems and infrastructure, causing unnecessary delays, high costs, and roadblocks to entering new markets — problems that blockchain technologies are ideally suited to solve."

Admit it or not, software is deployed by developers and used by communities for certain purposes. And when hackers at cross purposes exploit the software to take things from those communities, some of the victims will appeal to the government for help. And sometimes those governments will respond by sending men with guns to restrain the hackers and imprison them.

Strategy shares rose 5.3% to \$305, according to Yahoo Finance. Although the firm's stock price has dropped 11.5% over the past month, its initial move on Monday lifted it into positive territory on the year, with shares up slightly from \$300 in January.
