This measure is a companion to the S8518 Bill, introduced earlier this month by State Senator Liz Krueger, Chair of the Senate Finance Committee, in the New York State Senate.

The companies said the acquisition will combine FalconX's trading and prime brokerage infrastructure with 21Shares' exchange-traded product platform spanning Europe and the United States. The Swiss issuer already manages over \$11 billion in assets across 55 listed crypto products, while FalconX has facilitated over \$2 trillion in trading volume for more than 2,000 institutional clients.

"These protections have already proven to be successful in addressing other types of non-consensual imagery, and we've now built the same capabilities for fake explicit images as well," Google said. "These efforts are designed to give people added peace of mind, especially if they're concerned about similar content about them popping up in the future."
