“Good Lord, we’re screwed,” Oscar-nominated actor Emily Blunt said, reacting to an image of Norwood during a recent interview. “That is really, really scary.”

Cross-border payment is one of the important application scenarios of blockchain technology. The traditional cross-border payment process is complex, involving multiple intermediaries, with long settlement time and high fees. In contrast, cross-border payments based on blockchain technology can realize direct peer-to-peer transactions, greatly simplifying the process, shortening settlement time, and reducing costs. Currently, several countries and financial institutions
