Railbird was founded in 2021, but only won regulatory approval from the CFTC as a designated contract market in June.

Select McDonald's outlets in crypto-hot zones accept Bitcoin through payment apps, enabling fast food payments with digital dollars.

Such flexible authority chafes libertarians because discretion is power. Laws create arbiters who necessarily have the authority to impose or remove costs from other humans.

That state of affairs could now change imminently. Waller's plan would allow U.S. institutions focused on "payments innovation"—aka, crypto and other emerging financial technologies—to gain their own access to the Fed's services, as opposed to depending on third-party, master account-holding banks.
