Authority is the emergent product of differing capacities for violence among individuals and groups. This gradient of violence gives rise to coercion, where the possessors of violence impose rules on subjects. And code, while dictating internal rules within its own logic, has no monopoly on violence in the world writ large.

CleanSpark also said that it was hiring Jeffrey Thomas as senior vice president of AI data centers. Thomas previously worked as president of AI data centers at Humain, where he led Saudi Arabia's multi-billion AI data center program,

according to a statement.

At the time of writing, Floki has jumped by nearly 27% on the day to a price of \$0.000086 and an \$829 million market cap, with some claiming that it's a sign that Musk is losing his pull. Others pushed back, stating that Floki is simply a larger asset than last time, thus making its price harder to move from a single social media post.

RBC Capital Markets said that regional banks “remain well reserved for potential losses” and have bolstered capital since 2023, suggesting the recent sell-off may have been overdone.
