That is, of course, if you trust that the planets will align and the trend will remain valid until new year's eve.

A former engineer at e-commerce company Digital River was sentenced Tuesday to three years of probation for illegally mining crypto using his former employer's cloud servers.

retail investors are known for entering the market during periods of euphoria, typically after strong rallies or new all-time highs. Still, despite Bitcoin hitting multiple all-time highs in 2025, the general public's interest and retail activity

continue to lag.

Blockchains created and controlled by corporations will eventually die, as users won't want a chain controlled by a central entity, according to Eli Ben-Sasson, co-founder and CEO of blockchain company StarkWare.

"Ultimately, by decoupling energy infrastructure from mining, HUT will increase its financial flexibility and put itself in a stronger position to execute on growth opportunities at scale while preserving upside exposure to bitcoin through a 64% stake in American Bitcoin," the note read.

Unlike previous rallies, this one is expected to be driven by long-term investors seeking portfolio stability, rather than short-term speculation.
