Earlier in May, the firm acquired Canadian crypto platform WonderFi in a \$179 million deal, further expanding its global footprint. Robinhood has also been pushing for clearer tokenization regulations in the US, submitting a proposal to the Securities and Exchange Commission for a unified national framework governing RWAs.

Flag and pennant patterns form after sharp price moves. Flags appear as small, parallel channels, while pennants look like compact triangles. Both signal brief pauses before the prevailing trend continues.

Price pushes through a well-watched level on weak or average volume, shows little follow-through, and the next candle closes back inside the prior range.

Speaking at the National Association for Business Economics conference, Powell said the Fed may soon stop its “quantitative tightening” process, noting that reserves are “somewhat above the level” consistent with ample liquidity.

While the funding round marks a significant early win for Tempo—a layer-1 blockchain that will support payment processor Stripe’s aggressive push into crypto—it was not the biggest news about the project that rocked Crypto Twitter on Friday.
