To address these concerns, OpenAI said publishers will be able to adopt different strategies when dealing with its search engine and its AI chatbot.

"We may be seeing the same thing playing out here, and the result will be the same," Puckrin added. "The irony is that moves like these don't tend to lead to cleaner practices; they just push mining operations out of state."

While memecoins showed signs of recovery after the crash, another drop came on Friday, with memecoin assets declining from 9%–11% during the day.
