Stablecoins could siphon \$1 trillion in deposits away from banks in emerging markets in the "next three years or so," wrote Standard Chartered analysts in a note shared with Decrypt.

But the offering, called Ondo Global Finance, is only available for non-U.S. investors, according to an announcement from the company.

In Europe and the US, major fast-food chains like Subway and Burger King continue to accept crypto payments, often through third-party gift card services or

payment processors. While not a direct, in-house integration for every location, it's a simple way for consumers to spend their Bitcoin.

June, Hut 8 received a \$150 million investment from tech-focused investment manager Coatue Management, to help the company “capitalize” on the growing demand for AI computing power.

People have always looked to frontiers for freedom. That is because societies are, fundamentally, structures that organize violence to contain the desires of individuals in favor of the priorities of those in power. Generally, this has at least some pro-social qualities: Police have a privileged role as monopolists of violence so that we can buy deodorant at Walgreens without ringing a bell for an attendant. But that does not change what it is.
