The approval allows Binance to take majority control of GOPAX, restart operations in Korea, honor repayment pledges to users, and position itself to compete with dominant local exchanges.

According to CoinGecko's Q3 2025 report, the global crypto market expanded for a third consecutive quarter, adding roughly \$563 billion in value to reach \$4 trillion, its highest level since 2021. Galaxy's results reflected that broader trend, underscoring continued strength across the digital-asset industry.

High-end brands are also joining in: Gucci and Ralph Lauren have continued to expand their crypto payment options at select flagship stores, particularly for their more exclusive collections.
