With Google's new update, when a request to remove non-consensual deepfake websites found in a search is received, Google will also work to filter similar search results that include the name of the person being impersonated.

"Our investment in U.S. Triestina 1918 is about much more than football. It's about connecting Dogecoin's global community with one of Europe's most storied clubs and proving that digital assets can drive real-world value, culture, and passion," said House of Doge CEO Marco Margiotta in a statement.
