"We have seen that a number of companies have had success with a crypto strategy," the spokesperson said. "A number of our friends and supporters felt we should engage in that area as well. The board decided to start a conservative approach on this and test waters by buying some Bitcoin and Trump coin."

The flipping has been an ongoing debate for years

Strategy said earlier this year that it was adjusting its policy on common share issuance to convey discipline. The policy was modified to give the company greater flexibility, but onlookers suggested that it could make Strategy's move less predictable moving forward.
