But the offering, called Ondo Global Finance, is only available for non-U.S. investors, according to an announcement from the company.

"Bitcoin was easy because it's the gold standard for crypto," she continued. "We believe Trump coin is undervalued, considering that it's the coin backed by the President of the United States, who is not only popular in the United States but a global figure respected and followed all over the world."

High-end brands are also joining in: Gucci and Ralph Lauren have continued to expand their crypto payment options at select flagship stores, particularly for their more exclusive collections.

A 2022 class-action lawsuit against Musk accused him of manipulating the price of DOGE through media appearances and social media posts.

Catching a coin's name trending on X or in a Telegram chat isn't enough to justify putting capital at risk. Social buzz moves fast, and most spikes fade before price action catches up, or worse, they might be the result of coordinated shilling. That's why the next step is to turn raw noise into structured signals you can actually rank and compare.

"We are competing with China, so we need the best company to let us land on the moon as soon as possible. SpaceX has won a contract to build HLS, but the progress is slow," said Duffy in a CNBC interview on Monday.
