"We have seen that a number of companies have had success with a crypto strategy," the spokesperson said. "A number of our friends and supporters felt we should engage in that area as well. The board decided to start a conservative approach on this and test waters by buying some Bitcoin and Trump coin."

While memecoins showed signs of recovery after the crash, another drop came on Friday, with memecoin assets declining from 9%–11% during the day.

SearchGPT is the latest development in what appears to be a new era in web search, which The Verge's Nilay Patel has termed "Google Zero." This approach

prioritizes practicality over variety: instead of presenting a list with different sources and approaches to a specific query, which encourages users to do their own research, AI-powered search engines opt for a more direct tactic, providing concise, summarized information responding exactly to what users are looking for.

The second-largest crypto by market capitalization has seen perpetual open interest decline by 2% from \$24.6 billion to \$24.1 billion since September 1, according to Coinalyze. Bitcoin's bullish outlook in the same period, however, is bullish, accompanied by growing open interest.

If you've ever been pulled over by a bad cop, you know exactly how this can go wrong, but the truth is, there is today no rigid system that is as effective as a flexible one. Maybe someday computers, building out large language models or other artificial intelligence, will be capable of equally effective discretion, but for now, code as law is simply worse.

Brag House (TBH) stock popped by nearly 10% today to \$1.13, but is down nearly 31% over the last month.
