Admit it or not, software is deployed by developers and used by communities for certain purposes. And when hackers at cross purposes exploit the software to take things from those communities, some of the victims will appeal to the government for help. And sometimes those governments will respond by sending men with guns to restrain the hackers and imprison them.

The second-largest crypto by market capitalization has seen perpetual open interest decline by 2% from \$24.6 billion to \$24.1 billion since September 1, according to Coinalyze. Bitcoin's bullish outlook in the same period, however, is bullish, accompanied by growing open interest.
