There are several possible reasons for this issue, such as an outdated browser cache. Anyway, here are some quick fixes to resolve the issue where the Bing Homepage Quiz doesnt appear or is not working: If the Bing Homepage Quiz doesnt show up for some reason, you can try changing the country or region for your Bing account. Open the Bing website and click the Settings hamburger icon on the upper-right corner. On the dropdown menu, select Settings and then click Country/Region. Choose your new country/region. I recommend selecting United States. You will be redirected back to the Bing homepage. You should then be able to view the Bing Homepage Quiz and play it. If you dont want to change your country/region or if the preceding method doesnt work, you can try clearing your browsers cache. Heres how to clear the browser cache in Google Chrome: Click the Settings icon (three vertical dots) on the upper-right corner. Click Settings on the dropdown menu. Click Privacy and security on the left navigation menu. Select Delete browsing data. Check both Cookies and other site data and Cached images and files. Click Delete data to clear the cache. Using Microsoft Edge instead? Follow the steps to clear the browser cache in Edge: Click the Settings icon (three horizontal dots) on the upper-right corner. Select Settings on the dropdown menu. Click Privacy, search, and services on the left navigation menu. Scroll to the Delete browsing data section and click Choose what to clear. Make sure that both Cookies and other site data and Cached images and files are checked. Click Clear now. Clearing the browser cache can cause unexpected issues, including being logged out of websites. If you dont want to clear the browser cache, you may use a different browser instead, such as Brave or Firefox. Dont forget to login to your Microsoft Rewards account so that your points will be counted. Whether youre a trivia buff or just someone who wants to earn more Microsoft Rewards points, you shouldnt miss out on playing the Bing Homepage Quiz.
