If you forgot your password or username, or you can't get verification codes, follow these steps to recover your Google Account. This will let you use services like Gmail, Photos, and Google Play. Tips: Wrong guesses won’t make you leave the account recovery process. There's no limit to how many times you can try to recover your account. If you use an account from your work, school, or other group, these steps might not work. Check with your administrator for help. To recover an account for a child younger than 13 (or the applicable age in your country) you can reset your child's password.
