The games represented span multiple genres, including sports, action, adventure, and racing. Some notable titles include NFL Xtreme, NHL Face Off, Spyro the Dragon, Star Wars: Jedi Power Battles, and Tekken 3. Each demo volume is listed along with its corresponding OPM issue number, and some volumes are denoted as containing video content. The list covers a wide range of games released for the PlayStation console during its lifespan. If you'd like me to reorganize or summarize the information in any way, please let me know! This list appears to be a collection of demo versions of various games that were showcased in a magazine called OPD (likely Official PlayStation Magazine) over its numerous volumes. Some of the notable titles include stealth action game Tenchu: Stealth Assassins, racing games such as Test Drive and Tony Hawk's Pro Skater series, action-adventure games like Tomb Raider and Vigilante 8, and even sports games like WCW/NWO Thunder. In addition to PlayStation specific content, there are also demo versions of non-PlayStation games, including those for the PS2 console. Some examples include Batman Vengeance, Dark Cloud, Drakan II, and Jak and Daxter. The text appears to be a comprehensive list of all the demos featured in OPD magazine over its 54 volumes, with each volume corresponding to a specific page or section within the magazine where the demo was showcased. This list includes coverdiscs from official PlayStation 2 magazines, specifically the US version of Official PlayStation Magazine (OPM). It's worth noting that PAL territory releases can be confusing due to re-releases in different regions and varying serial numbers. When submitting discs from these regions, please provide detailed comments. For your convenience, here are direct download links for each disc: 1. Demo Disc 002: link ... 25.
