Ideal for apparel design and naming sports jerseys. The upper and lower case 'S' and 's' are different, the lower case one being more traditional for this style of font. The left and right curly brackets hold alternate glyphs for numbers '2' and '5'. If you find this font useful then please consider a donation to justme54s[at]yahoo.co.uk, any amount will be greatly appreciated. A donation isn't necessary to use this font for personal or non-commercial use. I'll be interested to know how people use it so a picture or artwork sent to justme54s[at]yahoo.co.uk would be nice.
