Id codes for arsenal megaphone

****Getting the Megaphone Emote in Arsenal**** This article, over 4 years old, may contain outdated information. We'll explore how to obtain and use the megaphone emote in Roblox's Arsenal game. This emote allows you to play custom sounds from the Roblox audio library. To get the megaphone, there are two methods: purchasing it directly from the daily shop for 1,800 BattleBucks or buying a Flair Case for 600 BattleBucks and hoping to obtain it randomly. ****Using the Megaphone**** Firstly, equip the megaphone into your emotes slots by going to the Locker option at the main menu. Then, add a Megaphone Sound ID by selecting a sound from the Roblox audio library. Copy the ID number and paste it into the "Insert ID Here" spot in Arsenal. to verify your selection. Once you're in-game on PC or mobile, hit the G key or face icon then select the Megaphone emote with the corresponding number/option. This will play the selected sound. To mute the Megaphone, go to settings from the main menu (gear button below Shop option), then Control and check Streamer Mode box to remove music.
